A scenic waterfall cascading over dark, mossy rocks in a lush green forest. The water is captured in a long-exposure style, creating a soft, ethereal effect. The surrounding vegetation is dense and vibrant green, framing the waterfall. The overall atmosphere is serene and natural.

**Job 07:05 My flesh is clothed with  
worms and clods of dust; my skin is  
broken, and become loathsome.**

**Job 21:33 The clouds of the valley shall  
be sweet unto him, and every man shall  
draw after him, as there are  
innumerable before him.**

**Job 38:38 When the dust groweth into  
hardness, and the clods cleave fast  
together?**

**Isa 28:24 Doth the plowman plow all  
day to sow? doth he open and break the  
clods of his ground?**

A desert landscape with sand dunes under a clear blue sky. In the foreground, there is a large, golden, textured mound that looks like a pile of hay or a large rock formation. The text is overlaid on the upper half of the image.

**Hos 10:11 And Ephraim [is as] an heifer [that is] taught, [and] loveth to tread out [the corn]; but I passed over upon her fair neck: I will make Ephraim to ride; Judah shall plow, [and] Jacob shall break his clods.**

**Joe 01:17 The seed is rotten under  
their clods, the garnerers are laid  
desolate, the barns are broken down;  
for the corn is withered.**
