# Word Study for --- DECREASED

A dramatic landscape at sunset or sunrise. The sky is a vibrant orange and red, with a bright sun on the right side. In the background, there are dark, silhouetted mountains. The foreground shows a dark, textured landscape, possibly a field or a body of water, with some small structures or trees visible. The overall mood is serene and majestic.

**Gen 08:05 And the waters decreased continually until the tenth month: in the tenth [month], on the first [day] of the month, were the tops of the mountains seen.**
