An aerial photograph of a steep, densely forested hillside. In the upper left foreground, a large wooden structure, likely a cable car station or maintenance building, is visible. Several thick black cables descend from this building towards the top of the hill. In the upper right, a long, low-profile cable car is seen moving along its track through the trees. The sky above is a uniform, pale blue-grey.

Word Study for --- DIRT

Jud 03:22 And the haft also went in after the blade; and the fat closed upon the blade, so that he could not draw the dagger out of his belly; and the dirt came out.

**Psa 18:42 Then did I beat them small
as the dust before the wind: I did cast
them out as the dirt in the streets.**

Isa 57:20 But the wicked [are] like the troubled sea, when it cannot rest, whose waters cast up mire and dirt.
