Word Study for --- DROMEDARIES

A dramatic landscape of a mountain valley. The foreground and middle ground show terraced fields and several tall, thin, conical evergreen trees. The background features steep, rugged mountains under a bright sky. The overall scene is arid and mountainous.

1Ki 04:28 Barley also and straw for the horses and dromedaries brought they unto the place where [the officers] were, every man according to his charge.

A photograph of a well-maintained garden path. The path is a narrow strip of green grass, flanked on both sides by dense, vibrant pink flowers, likely bougainvillea. The path leads into the distance, where a small white structure is visible. The background is filled with lush green trees and foliage. The overall scene is bright and colorful.

**Est 08:10 And he wrote in the king
Ahasuerus' name, and sealed [it] with
the king's ring, and sent letters by
posts on horseback, [and] riders on
mules, camels, [and] young
dromedaries:**

Isa 60:06 The multitude of camels shall cover thee, the dromedaries of Midian and Ephah; all they from Sheba shall come: they shall bring gold and incense; and they shall show forth the praises of the LORD.
