A high-angle aerial photograph of a rugged mountain face. The upper portion of the image is dominated by dark, almost black, rock formations with prominent vertical streaks of green vegetation, likely lichen or small shrubs. Below this, the slope transitions into a lighter gray area, possibly snow or a different type of rock surface. The overall texture is rough and uneven, with many sharp ridges and deep shadows.

**Word Study for-- ESPY**

**Jos 14:07 Forty years old [was] I when  
Moses the servant of the LORD sent me  
from Kadeshbarnea to espy out the  
land; and I brought him word again as [  
it was] in mine heart.**

**Jer 48:19 O inhabitant of Aroer, stand by the way, and espy; ask him that fleeth, and her that escapeth, [and] say, What is done?**
