Word Study for --- FLATTERY

An aerial photograph of a rural landscape. A winding river flows through the center, bordered by lush green vegetation. The surrounding fields are a mix of golden-brown and greyish-brown, showing signs of being harvested or plowed. In the distance, a few small structures and a road are visible under a clear sky.

**Job 17:05 He that speaketh flattery to I
his friends, even the eyes of his
children shall fail.**

**Pro 06:24 To keep thee from the evil
woman, from the flattery of the tongue
of a strange woman.**
