A large, jagged piece of white ice floats in dark blue water. The ice has a rough, crystalline texture with several sharp edges and a prominent hole in the center. The water is a deep, dark blue, and the background is a dark, textured surface, possibly a rock or the side of a boat. The overall scene is dramatic and cold.

Neh 03:17 After him repaired the Levites, Rehum the son of Bani. Next unto him repaired Hashabiah, the ruler of the half part of Keilah, in his part.

A close-up photograph of a single, vibrant red rose. The petals are layered and show signs of being recently watered, with numerous small, clear droplets clinging to their surfaces. The rose is the central focus, set against a dark, blurred green background that suggests foliage. The lighting is soft, highlighting the texture of the petals.
