**1Ch 02:22 And Segub begat Jair, who  
had three and twenty cities in the land

A photograph of a sunset or sunrise. The sky is a mix of orange, yellow, and pink. In the foreground, there is a dark, silhouetted fence with vertical posts. In the background, there are bare trees with thin branches against the bright sky. The sun is partially visible, creating a lens flare effect.

**1Ch 02:23 And he took Geshur, and  
Aram, with the towns of Jair, from  
them, with Kenath, and the towns  
thereof, (even) threescore cities. All  
these (belonged to) the sons of  
Machir, the father of Gilead.**

**1Ch 20:05 And there was war again with the Philistines; and Elhanan the son of Jair slew Lahmi the brother of Goliath the Gittite, whose spear staff I was like a weaver's beam.**

A silhouette of a tree stands against a dramatic sunset sky. The sun is a bright yellow orb low on the horizon, casting a long, horizontal glow across the sky. The sky transitions from a deep red at the top to a bright yellow near the horizon. The tree's branches are dark and intricate, with some leaves visible. The overall scene is peaceful and evocative.
