Word Study for --- OBSTINATE

A scenic landscape featuring a body of water in the foreground, with reeds and patches of snow scattered throughout. The background shows a line of trees and a clear blue sky. The text is overlaid in a large, white, bold font.

Deu 02:30 But Sihon king of Heshbon would not let us pass by him: for the LORD thy God hardened his spirit, and made his heart obstinate, that he might deliver him into thy hand, as I appeareth this day.

The image features two large, light pink roses in full bloom, positioned on the left and right sides. The petals are layered and have a soft, delicate texture. The background is dark and out of focus, with some green leaves visible around the roses. The text is overlaid in the upper center of the image.

art obstinate, and thy neck is an iron
sinew, and thy brow brass;**
