Word Study for --- RELIEVETH

A landscape photograph featuring a field of tall, green grass in the foreground. The grass is dense and reaches towards the horizon. Above the grass, a large, dark, and turbulent cloud formation dominates the sky, suggesting an approaching storm or a dramatic weather event. The overall mood is one of tension or anticipation.

**Psa 146:09 The LORD preserveth the
strangers; he relieveth the fatherless
and widow: but the way of the wicked
he turneth upside down.**
