# Word Study for --- SAWS

A lion is the central focus of the image, standing in a field of tall, golden-brown grass. The lion is facing slightly to the right, with its head turned towards the viewer. The background is a dense forest of tall, thin trees, possibly cypresses, with a dark green and brown color palette. The overall scene is lit with soft, natural light, creating a serene and somewhat somber atmosphere.

**2Sa 12:31 And he brought forth the people that were therein, and put them under saws, and under harrows of iron, and under axes of iron, and made them pass through the brickkiln, and thus did he unto all the cities of the children of Ammon. So David and all the people returned unto Jerusalem.**

**1Ki 07:09 All these [were of] costly stones, according to the measures of hewed stones, sawed with saws, within and without, even from the foundation unto the coping, and [so] on the outside toward the great court.**

**1Ch 20:03 And he brought out the people that were in it, and cut [them] with saws, and with harrows of iron, and with axes. Even so dealt David with all the cities of the children of Ammon. And David and all the people returned to Jerusalem.**
