

Word Study for --- SCoured

A close-up photograph of a large, blooming rose. The petals are a mix of bright pink and yellow-orange, creating a variegated effect. The center of the flower is visible, showing the stamens. The background is dark and out of focus.

**Leviticus 06:28 But the earthen
vessel wherein it is sodden shall be
broken: and if it be sodden in a
brazen pot, it shall be both
scoured, and rinsed in water.**
