

A close-up photograph of a flowering plant, likely a species of aster or chrysanthemum. The image is filled with numerous small, round flower heads. Some are a vibrant pink, while others are a pale, almost white color. The flowers are set against a backdrop of lush, green, serrated leaves. The overall composition is a dense, textured field of color.

**Leviticus 23:05 In the fourteenth
day of the first month at even is
the LORD's passover.**
