

A close-up photograph of a field of flowers, likely Gaillardia, with bright red and orange petals and yellow centers. The flowers are surrounded by lush green foliage. The background is slightly blurred, showing more of the same plants and some brown mulch.

Ezekiel 10:19 And the cherubims
lifted up their wings, and mounted
up from the earth in my sight:
when they went out, the wheels
also were beside them, and every
one stood at the door of the east
gate of the LORD'S house; and the
glory of the God of Israel was over
them above.
