

A close-up photograph of a vibrant red rose with green leaves in the background. The rose is the central focus, with its petals showing a gradient from deep red to a lighter, almost orange-red at the center. The leaves are dark green and serrated, with some showing signs of being eaten. The background is a soft-focus green, suggesting a garden setting.

**Exodus 30:04 And two golden rings
shalt thou make to it under the
crown of it, by the two corners
thereof, upon the two sides of it
shalt thou make it ; and they shall
be for places for the staves to bear
it withal.**
