

A close-up photograph of numerous small, vibrant purple flowers, likely lavender, in full bloom. The flowers are densely packed and set against a soft, out-of-focus background of green foliage and more purple blossoms. The lighting is natural, highlighting the delicate texture of the petals. A single, thin, brown stem or branch is visible in the lower right foreground, extending horizontally across the frame.

the temple that is in Jerusalem,
and let the house of God be
