

A close-up, slightly blurred photograph of a streambed. The foreground is dominated by a dense layer of small, dark, rounded pebbles and stones. In the background, larger, smoother, light-colored boulders are scattered across the streambed. A thin layer of water flows over the stones, creating a shimmering effect. The overall scene is natural and serene.

**Psalm 04:06** There be many that  
say, Who will show us any good?  
**LORD**, lift thou up the light of thy  
countenance upon us.
