

The background of the image is a dramatic sunset or sunrise. The sun is a bright, glowing orb positioned in the center of the frame, partially obscured by a layer of soft, orange and yellow clouds. The sky transitions from a deep orange near the horizon to a darker, almost black, at the top. In the foreground, the dark, silhouetted outlines of mountains or hills are visible against the bright light of the sun.

**Isaiah 13:10 For the stars of heaven  
and the constellations thereof  
shall not give their light: the sun  
shall be darkened in his going  
forth, and the moon shall not  
cause her light to shine.**
