

A close-up photograph of water flowing over a stone fountain. The water is clear and creates many small, shimmering bubbles and ripples as it moves. The stone surface is dark and textured. The overall scene is bright and dynamic, with light reflecting off the water's surface.

**Isaiah 34:10 It shall not be
quenched night nor day; the
smoke thereof shall go up for ever:
from generation to generation it
shall lie waste; none shall pass
through it for ever and ever.**
