

A photograph of a sheep grazing in a field of tall grass. The sheep is the central focus, positioned slightly to the right of the center. It is facing left, with its head down as if eating. The grass is a mix of green and brown, suggesting a natural, somewhat dry environment. The background is a soft-focus field of similar grass, extending to the horizon. The overall lighting is bright, likely from a sunny day, creating a clear and natural scene.

**Jeremiah 08:13 I will surely
consume them, saith the LORD:
there shall be no grapes on the
vine, nor figs on the fig tree, and
the leaf shall fade; and the things
that I have given them shall pass
away from them.**
