

A close-up photograph of a yellow lily flower with water droplets on its petals, set against a dark background. The flower is the central focus, with its six petals fully open and showing intricate vein patterns. Several dark, oval-shaped spots are visible on the inner surface of the petals. The lighting is dramatic, highlighting the texture of the petals and the glistening water droplets. The background is a deep, dark green, making the bright yellow of the flower stand out prominently.
