

A close-up photograph of several bright yellow daffodils with long green leaves, growing from a bed of dark brown mulch. The flowers are in various stages of bloom, with some fully open and others just starting to show. The background is a soft-focus view of the mulch and other greenery.

**Ezekiel 31:05 Therefore his height

the field, and his boughs were  
multiplied, and his branches  
became long because of the  
multitude of waters, when he shot  
forth.**
