

A close-up photograph of a green praying mantis on a green leaf. The mantis is positioned in the center, facing right. A bright light source, possibly a candle or a small lamp, is visible in the lower right, creating a strong glare on the leaf's surface. The background is dark and out of focus.

**John 06:23 Howbeit there came  
other boats from Tiberias nigh  
unto the place where they did eat  
bread, after that the Lord had  
given thanks:**
