

A close-up, high-angle shot of a field of golden wheat. The stalks are densely packed and reach upwards, their heads heavy with grain. The lighting is bright and warm, creating a rich, golden-brown color palette. The background is slightly blurred, emphasizing the texture and detail of the wheat in the foreground.

of Judaea by the farther side of
Jordan: and the people resort unto
him again; and, as he was wont, he
taught them again.**
