

Psalms 51:10 Create in me a clean heart, O God; and renew a right spirit within me.

A close-up photograph of a honeysuckle bush. The image is filled with lush green leaves of various shades, from bright lime to deep forest green. Interspersed among the leaves are clusters of small, tubular flowers. Some flowers are in full bloom, showing white petals with yellow centers, while others are still in bud form, appearing as small, pointed green structures. In the background, a silver wire fence is visible, partially obscured by the foliage. The lighting is bright and natural, suggesting an outdoor setting during the day.
