A wide-angle photograph of a desert landscape. In the foreground, there are large, layered rock formations with distinct horizontal strata. The rocks are primarily reddish-brown and tan. In the middle ground, there's a mix of smaller rock outcrops and patches of dry, scrubby vegetation. In the background, a river flows through a canyon, its water appearing light blue or green. The sky is not visible, suggesting a high-angle shot.

Act 26:24 And as he thus spake for himself, Festus said with a loud voice, Paul, thou art beside thyself; much learning doth make thee mad.

A wooden cross stands against a soft, hazy sky at sunset or sunrise. A white cloth is draped over the horizontal beam of the cross, with its ends hanging down. The cross is supported by several ropes extending from the ground. The overall mood is peaceful and contemplative.
