Word Study for --- LICKETH

A close-up photograph of several bright red, star-shaped flowers with yellow centers, growing from dark, jagged volcanic rocks. The background is a dark, textured surface of similar rocks.

**Num 22:04 And Moab said unto the
elders of Midian, Now shall this
company lick up all that are round
about us, as the ox licketh up the
grass of the field. And Balak the son of
Zippor was king of the Moabites at
that time.**
