Word Study for --- LIFTING

1Ch 11:20 And Abishai the brother of Joab, he was chief of the three: for lifting up his spear against three hundred, he slew [them], and had a name among the three.

A photograph of a narrow dirt path winding through a dense thicket of tall, dry grass and palm-like plants. The path leads from the bottom center towards the top center of the frame. The background is filled with more of this vegetation, creating a sense of a wild, overgrown area. The lighting is natural, suggesting an outdoor setting.
