A close-up photograph of a cluster of purple flowers, likely azaleas, with prominent stamens. The flowers are in various stages of bloom, showing the delicate structure of the petals and the intricate details of the reproductive parts. The background is a dark, out-of-focus green, suggesting foliage.

Word Study for --- NUTS

Gen 43:11 And their father Israel said unto them, If it must be so now, do this; take of the best fruits in the land in your vessels, and carry down the man a present, a little balm, and a little honey, spices, and myrrh, nuts, and almonds:

**Son 06:11 I went down into the garden
of nuts to see the fruits of the valley, I
and I to see whether the vine
flourished, I and I the pomegranates
budded.**
