# Word Study for --- PACES

A scenic view of a rocky, layered mountain landscape. The foreground and middle ground show rugged, light-colored rock formations with distinct horizontal layers. Sparse green trees are scattered across the rocky terrain. In the background, a higher, more vertical rock face is visible under a clear blue sky. The overall scene is bright and clear.

**2Sa 06:13 And it was [sol], that when they that bare the ark of the LORD had gone six paces, he sacrificed oxen and fatlings.**
